

You're Invited . . .

The Michigan Department of Treasury is hosting multiple outreach seminars across Michigan. Treasury representatives will provide a short presentation, answer your general questions and listen and learn about the issues affecting YOU.

Michigan Treasury Online (MTO)

Michigan Treasury Online (MTO) is an online resource for business taxpayers. You can use MTO to file tax returns, pay taxes and maintain your business account(s) with the Michigan Department of Treasury.

A Treasury team will discuss the many functionalities of MTO, the significant improvements made since the 2015 roll-out (based on taxpayer feedback), answer general questions and solicit your suggestions for continued improvement.

Following the session you can get specific help on your accounts (or set up your account, if you have not yet done so).

Stay tuned for future Treasury outreach events!

If you have a topic and/or location suggestion for a future outreach presentation please send it to TreasuryOutreach@michigan.gov.
