

The MICPA wants to partner with passionate student leaders

MICPA Student Champions work closely with faculty and peers to promote MICPA student membership and the CPA credential. Student champions are given rare opportunities to meet high profile CPAs across the state of Michigan and a FREE CPA Candidate membership once you graduate.

Advantages

As a Student Champion, you gain access to unparalleled opportunities within the MICPA, the state's largest association for the CPA profession. You are given the path to gain leadership experience in a supportive, productive environment.

- Attend an MICPA Board of Director meeting, and network with some of the most influential CPA's in the state of Michigan
- Get an invitation to special student events such as meeting the chair of the AICPA
- FREE CPA Candidate membership with the MICPA for two years (a value of \$200)
- Enhance your resume and show employers you're serious about your career
- Grow your leadership and interpersonal skills

Responsibilities

The role of a MICPA Student Champion is to serve as the liaison between MICPA and their school, including:

- Educating students on the benefits of the CPA credential and how membership with the MICPA benefits students heading towards their chosen career
- Coordinate presentations and other on campus events
- Distribute promotional materials to fellow students and faculty
- Display posters and flyers
